Good Day Everyone, thank you for meeting April 16, 2018, to discuss the Draft Source Control Proposed Plan of Wilcox. As a follow-up to our discussions, I request that any comments you have be provided by **April 27, 2018**. This will provide time for inclusion and revision of the draft prior to public release.

As mentioned, the expectation is for public release in May 2018, followed by a 30-day comment period. At the completion of the comment period, these comments will be reviewed and incorporated into a final decision document for the Source Control Action.

Thank you again for your continued interest.

Please forward to the other participants. I do not have all of the participants contact information. thanks
